

Trupart Information bulletin Jan '09

“Autonet Online ordering and stock check”

- Trupart now has the facility to allow customers to place orders and check stock online and in real time.
- All you need is a high speed internet connection.
- Simply contact us and we will issue you with a login and password so you can get started.
- Once you have these you can start using it straight away and save money on phone calls.
- The service is absolutely FREE and very simple to use.
- You can place orders and check stock even out of hours as well as being able to check your account and invoices.
- This service is only available to Trupart account holders.

If you want to sign up please fax back this form or give us a call and we will do the rest:-
